At KE Property Styling, we've styled over 2,000 properties, and with 55+ years of combined experience, you're in experienced hands. More than 95% of these homes have achieved a successful return on investment.

We take the time, energy, and stress out of preparing your property, making the process easy and straightforward.

We are not just about arranging furniture, we create spaces that connect with people with homes and leave a lasting impression.

Why Sellers Choose Us, Even When We're Not the Cheapest

Smart vendors know that true value goes beyond price, it's about trust, quality, and peace of mind.

We don't just style homes... we protect your reputation and present your property at its absolute best. Our premium service reflects the care you've put into your home and your expectations for a great result.

You get real support (not empty promises), a smooth, stress-free process from start to finish, and the confidence that we're driven by purpose, not just profit.

"Kylie and her team are fantastic! Kylie responds super fast, even styling our house within 3 days! The result comes up amazing! Kylie and her team always think and care about the customers, very careful and gentle moved the furniture in and did the quick clean after a long day work. Highly recommended! Thank you very much Kylie and your team!"
